Dear Parents / Carers

It has come to our attention that some of our pupils in KS2 are using Facebook.

Further to our Acceptable Use Policy sent to all parents in the Autumn Term (and on our website for your perusal) we would like to point out the following which come directly from the Facebook site:

- “If you are under 13 please do not attempt to register for Facebook or send any information about yourself to use, including your name, address, telephone number or email address. No one under to age of 13 may provide any personal information to or on Facebook. In the event that we learn that we have collected personal information from a child under the age of 13 without verification of parental consent, we will delete that information as quickly as possible. If you believe that we might have any information from or about a child under 13 please contact us at: [info@facebook.com](mailto:info@facebook.com)”
- Facebook adds:  
“We recommend that minors over the age of 13 ask their parents for permission before sending any information about themselves to anyone over the internet.”

The children have all been made aware of the safe use of chat rooms and that the internet is not a private space.

Please note that we prefer children not to bring mobile phones and they should only do so if there are particular circumstances which necessitate this. If you wish your child to bring a mobile phone to school please write a note to the class teacher. The school does not accept responsibility for mobiles which are brought in by children.

Yours sincerely

Mrs F Millett  
Headteacher
