### Talk Topic

My earliest memory is .....

### **Parking**

Many thanks for your cooperation in improving parking in Gunner Lane. Incidents of parking on the yellow zig-zag area are now far less frequent. The police are continuing to monitor this.

### **Miss Lane's Class**

Unfortunately, Miss Lane is still unwell. In her absence Mr Hall will continue to take her class.

We wish her a speedy recovery and hope to have back in school very soon.

### **Sex and Relationship Education**

If your child attended Holywell last year you will remember that the Curriculum Committee of the Governing Body were reviewing the way we teach Sex and Relationship Education at Holywell. We reviewed our policy and put that, together with suggested County Lesson Plans, on the school website for your perusal. We then sent a questionnaire to all parents, the results of which showed that parents were happy with the way SRE was to be taught in school.

We have now revisited the lesson plans for each year group and have put our finished plans on the website [www.holywellprimary.com](http://www.holywellprimary.com) under the policies section.

We would be most grateful if you could find time to read these through so that you know what will be coming up in SRE lessons. We will endeavour to inform you via the weekly newsletter when SRE will be taught in your child's class.

If you would like any more information about any aspect of this work please contact Mrs Biggs.

Yours sincerely
