

HOLYWELL PRIMARY SCHOOL

School Statement Regarding Photography or Video Recording of School Children and Activities.

At some school events, parents/carers and school staff may wish to photograph and/or record the children. It may be an Assembly, school production, concert or other event. This is acceptable to the school providing that:

- Photographs and recording may only take place in designated areas and at designated events and when a member of staff is present.
- Photographs and recording are for private family use only and will never be reproduced for outside purposes.
- Embarrassing images will not be used at all.
- Photographs for the school website will always be anonymous.
- Photographs for the local press may have children's names, but only with parents consent.
- All aspects of Safeguarding / Child Protection will be considered in order to protect the children at all times.
- Parents/carers have notified school staff of any particular requests i.e. Looked After Children.
